25X1 5. [] LIAISON Jean Christoff, Senate Select Committee on Intelligence staff, called with questions regarding documents supplied the Committee on the MKULTRA programs. I told her I didn't handle this personally and I would ask [] of our office, to call her. 25X1

25X1 6. [] LIAISON Received a call from Mike Hodin, in the office of Senator Daniel P. Moynihan (D., N. Y.), who said they had misplaced the copy I delivered of the unclassified report "World Steel Market Continued Trouble Ahead" and asked for another. I agreed to deliver one and did so later in the day.

25X1 7. [] LIAISON Received a call from Elliot Maxwell, Senate Select Committee on Intelligence staff, who said he would be unable to address the Senior Seminar as he had previously agreed because of a meeting just called at the NSC on the new Executive Order. I asked Anne Karalekas, also of the Committee staff, to fill in but she is attending the same meeting Maxwell is. I next asked Ed Levine, also of the Committee staff, to fill in and he agreed. It is set for 26 September at 1:00 p.m.

I asked Maxwell about Senator Walter D. Huddleston's (D., Ky.) letter of 19 September pertaining to use of Section 102(c) of the National Security Act. The letter asked for a 15 year breakdown on use of the section. I told Maxwell a five year breakdown was readily available but that a compilation of statistics for 15 years would require about three weeks of work. I asked Maxwell if he thought five years was a sufficiently lengthy period for the Committee's use. He said to send him the statistics for five years as soon as possible and he would see if anything else was needed and let me know.

25X1 8. [] LIAISON Called John Elliff, Senate Select Committee on Intelligence staff, in an attempt to get a final word if Senator Birch Bayh (D., Ind.) could speak at a Latin America COS Conference on 3 October. Elliff reported that he could not. I then called Tom Moore, also of the Committee staff, and asked him to check whether Senator Gary Hart (D., Colo.) might appear before the group. Moore said he would let me know on 26 September.

6. [REDACTED] LIAISON Received a call from Abram Shulsky, Senator Daniel P. Moynihan's (D., N. Y.) designee on the Senate Select Committee on Intelligence. Shulsky asked the status of comments being prepared on S. 1950, Senator Moynihan's proposal regarding Soviet SIGINT activities. After checking, I informed Shulsky that the Executive Branch was in no position to comment until PRM-22 decisions were made, this would not be for about two weeks.

Shulsky said it is his understanding [REDACTED] had prepared 25X1 some studies on this problem for the White House Office of Telecommunications Policy. Shulsky asked if this was so and if he could see the studies. I told him I would try and find out if such studies existed, however, he would have to make a request to review the reports with the White House.

7. [REDACTED] LIAISON Called Stan Taylor, Senate Select Committee on Intelligence staff, and informed him [REDACTED] 25X1 [REDACTED] would be able to meet with him on 12 September at 10:00 a.m. to discuss the [REDACTED] financial records.

I also informed Taylor of the scheduled 16 September hearing on FOIA before Senator James Abourezk's (D., S. Dak.) Subcommittee on Administrative Practice and Procedure, Senate Judiciary Committee, and expressed our concerns that it would not be a balanced hearing. Taylor said he did not believe Senator Jake Garn (R., Utah) would be in a position to act since he was not a member of the Senate Judiciary Committee. Taylor said he would mention it to him, and perhaps Senator Garn would speak to Senator Orrin G. Hatch (R., Utah), who is a Member of the Senate Judiciary Committee.

8. [REDACTED] LIAISON Called Senator Malcolm Wallop's (R., Wyo.) office and explained to Pat Hoff, who is handling Senate Judiciary Committee matters for the Senator, our concern about the 16 September hearing on FOIA. Hoff said she would like to be briefed on this situation and would bring it to Senator Wallop's attention. We tentatively arranged for 2:00 p.m. on 13 September for a meeting.

19. [] LEGISLATION Spoke with Elliot Maxwell, on the staff of the Senate Select Committee on Intelligence, and informed him that I would not be able to provide him a copy of the 3 September memorandum from the Director to Dr. Brzezinski, Assistant to the President for National Security Affairs, on charter legislation. Mr. Maxwell said he might be able to come out tomorrow to discuss in general terms intelligence charter legislation.

20. [] LEGISLATION Received a call from Alan Coffey, Minority Counsel, House Judiciary Subcommittee on Administrative Law and Government Relations. He told me that hearings are scheduled on financial disclosure legislation for Friday, 9 September, and Monday, 12 September, and that the bill would probably be marked up the week of 12 September. He said that the full Committee was committed to reporting the bill by 22 September. I thanked him for the information, and told him we had some comments at OMB and as soon as we received clearance we would be down to talk to him and the Subcommittee's Majority Counsel, Bill Shattuck. He asked a number of questions concerning areas which we had previously discussed, and I refreshed his memory about the problems.

25X1

21. [] LEGISLATION Received a call from Bob Carlstrom's Secretary, OMB, who said they needed verbal comments on a Department of Justice draft bill they had forwarded to us that would amend the Federal Tort Claims Act by Monday, 12 September. Their original deadline was 16 September.
